

**Thank you for opening up your
homes to host our members
and/or guests for Christmas!**

**If it is your first time hosting,
here is a simple guide to
follow.**

Before the Christmas event!

1. Pray for the guests and members you'd like to invite to your home!
2. Based on guests responses, collect BA prepared guest packs from the church office on 19 Dec!

On Christmas eve/Christmas!

1. Designate an area in your home for guests to watch the event together.
2. Check your internet connection to prevent disruption while streaming.
3. Connect your laptop to TV for larger display and test speakers (HDMI/USB wired connection would be more stable).
